22. **Statements of Representatives** - If there is a conflict between what one of our representatives says and the terms of this Agreement, the terms of this Agreement will prevail.

23. **Arbitration and Waiver of Jury Trial** - All irresolvable disputes or claims pertaining to the Service, a Service Account or the relationships that arise there from, whether based in contract, tort or otherwise, shall be resolved by binding arbitration under the expedited procedures of the Commercial Financial Disputes Arbitration Rules of the American Arbitration Association (AAA) and the Federal Arbitration Act in Title 9 of the US Code. Arbitration hearings will be held in Warren County, Missouri or where mutually agreed. A single arbitrator will be appointed by the AAA and will be an attorney or a retired judge with experience and knowledge in banking transactions. Any issue concerning whether or the extent to which a dispute or claim is subject to arbitration, including but not limited to issues relating to the validity or enforceability of these arbitration provisions, shall be determined by the arbitrator. All statutes of limitations or other defenses relating to the timeliness of the assertion of a dispute or claim that otherwise would be applicable to an action brought in a court of law shall be applicable in any such arbitration, and the commencement of an arbitration under this Agreement shall be deemed the commencement of an action for such purposes. No provision of this paragraph shall restrict the ability of any person to exercise all rights and remedies available under applicable law or this Agreement; provided, however, that the exercise of those rights or remedies is subject to the right of any other person to

demand arbitration as provided herein. The commencement of legal action by a person entitled to demand arbitration does not waive the right of that person to demand arbitration with respect to any counterclaim or other claim. No person entitled to demand arbitration hereunder shall be permitted to assert a dispute or claim that is on behalf of any other person. Similarly, an arbitration proceeding under this Agreement may not be consolidated with other arbitrations proceedings. IF A DISPUTE OR CLAIM IS NOT SUBJECT TO ARBITRATION FOR ANY REASON, THEN THE DISPUTE OR CLAIM SHALL BE DECIDED IN A COURT OF COMPETENT JURISDICTION WITHOUT A JURY. YOU AND WE IRREVOCABLY WAIVE ALL RIGHTS TO TRIAL BY JURY.

Bill Payment Service

24. **How to set up payees/payments** - Complete a bill paying enrollment form. If you want to add a new payee, use "SET UP ACCOUNTS/PAYEE" on the internet or speak to an American Bank customer service representative. You may add a new fixed payment to a Payee, only if the Payee is on your authorized list of payees, and by accessing the Service and entering the appropriate information. Most other additions, deletions, or changes can be made in writing or by using the Service. The Financial Institution reserves the right to refuse the designation of a Payee for any reason.

Each Payee accepted by the Financial Institution will be assigned a payee code. You may pay almost any payee you wish. There are several restrictions:

- 1) The merchant must be located in the United States;
- 2) Payments may not be remitted to tax authorities or government and collection agencies;
- 3) Payments may not be remitted to security companies such as Ameritrade for stock purchases or trade taxing authorities; and
- 4) Court directed payments are unauthorized (Alimony, child support, or other legal debts).

Don't forget you can use this system to send payments to your son/daughter in college, pay your local orthodontist, credit cards, charitable donations, etc. A merchant is defined as anybody (company or individual) to whom you want to send money.

American Bank is not responsible if a Bill Payment cannot be made due to incomplete, incorrect, or outdated information provided by you regarding a Payee or if you attempt to pay a Payee that is not on your Authorized Payee list.

25. Accessing the Service - You will access the service through your online banking setup with American Bank.

26. The Bill paying process -

(a) Single Payments

A single payment will be processed on the business day (generally Monday through Friday, except certain holidays) that you designate as the payment's process date, provided the payment is submitted prior to the daily cut-off time on that date. The daily cut-off time, is currently 2:00pm (CST). A single payment submitted after the cut-off time on the designated process date will be processed on the following business day. If you designate a non-business date (generally weekends and certain holidays) as the payment's process date, the payment will be processed on the first business day following the designated process date.

(b) Recurring Payments

When a recurring payment is processed, it is automatically rescheduled by the system. Based upon your selected frequency settings for the payment, a process date is calculated for the next occurrence of the payment. If the calculated process date is a non-business date (generally weekends and certain holidays), it is adjusted based upon the following rules: (i) If the recurring payment's "Pay Backward" option is selected, the process date for the new occurrence of the payment is adjusted to the first business date prior to the calculated process date. (ii) If the recurring payment's "Pay Backward" option is not selected (or if the "Pay Backward" option is not available), the process date for the new occurrence of the payment is adjusted to the first business date after the calculated process date.

Note: If your frequency settings for the recurring payment specify the 29th, 30th, or 31st as a particular day of the month for processing and that day does not exist in the month of the calculated process date, then the last calendar day of that month is used as the calculated process date.

For Single and Recurring Payments, you must allow at least five (5) business days prior to the due date, for each bill payment to reach the Payee. (For mid west subscribers, allow 7 days and for west coast subscribers, allow 8 days.) Any bill payment can be changed or canceled, provided you access the Bill Pay Service prior to the cut-off time on the business day prior to the business day the bill payment is going to be initiated.

You agree to have available and collected funds on deposit in the account you designate in amounts sufficient to pay for all bill payments requested, as well as, any other payment obligations you have to the Financial Institution. The Financial Institution reserves the right, without liability, to reject or reverse a bill payment if you fail to comply with this

requirement or any other terms of this agreement. If you do not have sufficient funds in the Account and the Financial Institution has not exercised its right to reverse or reject a bill payment, you agree to pay for such payment obligations on demand. You further agree the Financial Institution, at its option, may charge any of your accounts with the Financial Institution to cover such payment obligations. The financial institution reserves the right to change the cut-off time. You will receive notice if it changes.

27. Liability -

(a) Consumers

You are liable for all transactions you make or that you authorize another person to make even if that person exceeds his or her authority. If you want to terminate another person's authority, you must notify the Financial Institution. You will be responsible for any Bill Payment request you make that contains an error or is a duplicate of another Bill Payment. The Financial Institution is not responsible for a Bill Payment that is not made if you did not properly follow the instructions for making a Bill Payment. The Financial Institution is not liable for any failure to make a Bill Payment if you fail to promptly notify the Financial Institution after you learn that you have not received credit from a Payee for a Bill Payment. The Financial Institution is not responsible for your acts or omissions or those of any other person, including, without limitation, any transmission or communications facility, and no such party shall be deemed to be the Financial Institution's agent. In any event, the Financial Institution will not be liable for any special, consequential, incidental, or punitive losses, damages, or expenses in connection with this Agreement or the Service, even if the Financial Institution has knowledge of the possibility of them. The Financial Institution is not liable for any act, failure to act or delay in acting if it is caused, in whole or in part, by any cause beyond the Financial Institution's reasonable control.

(b) Business/Nonprofit/Governmental Customers

You are liable for all transactions you make or that you authorize another person to make even if that person exceeds his or her authority. If you want to terminate another person's authority, you must notify the Financial Institution. You will be responsible for any Bill Payment request you make that contains an error or is a duplicate of another Bill Payment.

The Financial Institution is not responsible for a Bill Payment that is not made if you did not properly follow the instructions for making a Bill Payment. The Financial Institution is not liable for any failure to make a Bill Payment if you fail to promptly notify the Financial Institution after you learn that you have not received credit from a Payee for a Bill Payment. The Financial Institution is not responsible for your acts or omissions or those of any other person, including, without limitation, any transmission or communications facility, and no such party shall be deemed to be the Financial Institution's agent. In any event, the Financial Institution will not be liable for any special, consequential, incidental, or punitive losses, damages, or expenses in connection with this Agreement or the Service, even if the Financial Institution has knowledge of the possibility of them. The Financial Institution is not liable for any act, failure to act or delay in acting if it is caused, in whole or in part, by any cause beyond the Financial Institution's reasonable control.

If you are an owner of an account for which a valid User ID and Password is furnished to us in order to transfer funds from the account, you agree to indemnify and hold us harmless from all loss and liability arising in connection with such transfers, even if such transfer instructions were not authorized by you.
